- User can navigate to the login page.
- User can enter their **Username** in the provided text field.
- User can enter their **Password** in the password field.
- User can click the **Login** button to sign in to the system.
- User can click the **Home** button to return to the dashboard.

2.2 Register

The screenshot shows the TripMaster website's registration page. The header is yellow with the TripMaster logo and tagline 'Plan Smarter, Travel Better.' on the left, and a 'Home' link on the right. The main content area is light gray and features a white registration form with an orange border. The form is titled 'Register New Account' and contains four text input fields: 'Full Name', 'Email Address', 'Create Password', and 'Confirm Password'. Below these fields is a checkbox for 'I agree to the Terms of Service and Privacy Policy.' and a blue 'Register' button. At the bottom of the form, there is a link: 'Already have an account? Sign In'. The footer is dark blue and contains the copyright notice: '© 2025 TripMaster. All rights reserved.'

- User can navigate to the register page.
- User can enter their **Full Name** in the provide text field.
- User can enter their **Username** in the provided text field.
- User can enter their **Password** in the password field.
- User can click the **Register** button on the button to create a new account.
- User can click the **Home** button to return to the dashboard.

2.3 Dashboard

- User can navigate to the dashboard page.
- User can see their upcoming itineraries displayed.
- User can click the **Create Itinerary** panel to add a new travel itinerary.
- User can click the **Logout** button to log out from the account.

2.4 Create Itinerary
